

## 2018 SELSEY RNLI RAFT RACE COURSE

Start time 13.00 hrs on 05-08-18

Due to the significant Eastwards tidal flow we have reversed the course this year,

The starting beach is to the West of the big Raft Race banner at the end of James Street. Please use the turning bay at the end of James Street just for unloading and then vacate to make space for others.

The finishing beach is 10 groynes to the East marked by an RNLI Flag... One you have passed the flag, paddle ashore and re-beach your raft and crew. This finishing beach is adjacent to the access road at the far end of Lifeboat Green.

The prize giving will be at 13.30 on the reserved section of beach just below the scaffold gantry

In the unlikely event of an emergency lifeboat launch the race will be postponed until the Lifeboat is well clear of the beach
